

Inspire project list

We're proud to present the full list of projects that have received the Inspire mark.

LOCOG are very proud to announce that the final number of projects to have become part of the Inspire family is 2,713. We are incredibly excited to have come this far and to have such a wonderful array of projects in the programme.

Inspire is an Olympic and Paralympic first and has already helped to get 10 million people across the UK involved in the London 2012 Games – an unprecedented success story. We are very proud of all the activities the Inspire team have helped to nurture over the last four years and we would like to thank the Inspire projects for the contribution they have made to ensuring that their communities benefit from the spirit and inspiration of London 2012.

An exceptional summer lies ahead of us and we look forward to witnessing the starring role that many of the Inspire projects will play in the London 2012 celebrations. Over 2,700 projects have used the power of the Games to Inspire a generation, creating opportunities to participate and a long-lasting legacy. Some 78 per cent of projects have told us they will continue after the Games and nine out of ten Project Leads have been inspired to run similar project in the future – the legacy of London 2012 has already begun.

**Sebastian Coe
Chair, the London Organising Committee of the Olympic Games
and Paralympic Games (LOCOG)**

Theme Key:

ED: Education Project

SP: Sport Project

VU: volunteering project

CU: Culture Project

SU: Sustainability Project

BU: Business Project

Scotland Projects

The Scottish Government is fully committed to securing benefits and a lasting legacy from the London 2012 Games and the Commonwealth Games in Glasgow in 2014.
